Hello. On this day
where the moon is
shining brightly, I,
Haku, is greeting.

What a lovely
cherry tree~

When there are
cherries, I'm going
to secretly take some...

To someone who lost
her parents and
supported herself
through part-times...

Something
good happened.

(Police before 10 minutes)

Where: Seulhee HS auditorium
Participants: 200 persons

Why do I have to
be with you since
the first day?

(Quietly)

Ah, Since Hoda is
new at vampire
school, you must
be an ally!— School's
rule is to divide into
groups.

There may be dangers,
and need to be avoided.
Even though it's uncomfortable?
can you handle it?

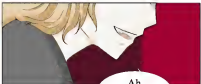

Yes! Of course.
I am thankful
to be here—
I don't care about
this guy

How cute ~ ♡

Oh~ Then
that's good—

I'm bad you're
not in my class

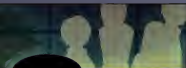

Ah,
Hodu

doesn't know
yet-

1-10 class is

all full of

12 vampires.

So be
careful ♥

?!
ホド

Ah... In our class, there are 2 humans including me~

From today, we have a new student, Hoda Min.

Uough... ough
Her partner is Gaiyo so take care of her and don't go somewhere by yourself.
And ough... ough...

Is our teacher ok...

Nice to meet you.

I'm Hoda Min.

more nicely...

Can I have a drink?

Ah!
Dangerous
situation?!
This is illegal!

Hahahahaha
I like this kid

She takes my
joke seriously -
What do you
guys think?

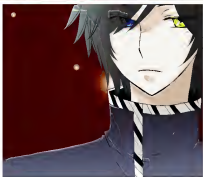

Joke?! That's
why vampires
cannot be
trusted!!

.. And also..

A human be picked...
It's going to be this-

Are you the one who's new here?

Hodu Min?

But who are you ?

I'm Hyeonng Min
from 2-2.

There is a rumor that
the new student is
beautiful but aloof
and tried to seduce
him with your blood--

Hahaha
Is it you Gelsya?!

I think you
are mistaken--

I have no relationship
with Gelsya so you
don't have to worry.

Wait!!

Wow... They even have a card..

... I'm just a normal freshman so you don't have to worry about me~

Not everyone is going to think like this.

No human has ever entered that 'non-moving class'. So everyone is...

So everyone..

...has anticipated

Hodu's incoming.

!

I shouldn't say that
but he is one of the
vampires who you
shouldn't mess alone
Call your partner.
Why, know how, right?

Tell me~!

Call my partner..
Gohyo?!!
I don't know how
to call him..

It would be
good if you can

You drink

Gohyo never got
rejected by an angle.

So if Miss Hoda
doesn't give him
blood little by little.

Gohyo is going
to die.

What?!

What.. is.. he.. saying..?

And Miss
Hoda is..

defenseless and
look delicious.

Get away!!

so don't touch her
